"Performance Softboards that have no respect for age"

The 9ft was a great board to ride, having the smooth plastic deck and bottom gives the board some rigidity, which makes it easy to turn and gave it flow on the face and speed in the barrel. The foam edges made it easy to grip when catching a wave and safe for when you wipe out. Great boards for the up and coming groms and us old guys too!

Jason Livingston
Four times Australian Longboard Champion
